

Fall 2018

The Shen Track Club is a 501(c)(3) non-profit entity that supports the Shenendehowa Cross Country and Track & Field Teams. We have hundreds of athletes who participate each school year in one to three seasons. Several of our girls and boys compete on a national level annually.

On Monday, November 12, the Shen Track Club is hosting the 11th Veterans Day Dash at 10am, a 5K road race and kids' fun run on the campus of Shenendehowa. Last year over 400 registered for this celebratory event. We have military presence and honor veterans with a special ceremony. Proceeds from the memorial flags that line our course are donated to STRIDE Adaptive Sports, an organization supporting veterans and individuals with special needs in life-changing sport and recreation programs to sustain healthy, active and fun lifestyles.

Please consider one of these sponsor levels:

- ★ **Event sponsor:** \$5,000 includes event presence, all Varsity level benefits, plus MORE.
- ★ **Challenge Sponsor:** \$1,000 includes a named challenge, large company logo on our event shirt in a premiere location & a Facebook post & one year website advertising.
- ★ **Varsity:** \$500 includes a large logo on our event shirt, a Facebook post & six months months of advertising on our website.
- ★ **JV:** \$250 includes a logo on our event shirt and a Facebook post.
- ★ **Freshman:** \$100 includes logo on our event t-shirt.
- ★ In-kind donation, gift cards, etc. are appreciated.

We look forward to talking with you about opportunities to get the visibility you need in the community.

Thank you,

Kristen Hislop, VP
